**REQUEST FOR CERTIFICATE OF CORRECTION
UNDER 37 C.F.R. §1.323**

Dear Sir:

Applicant submits herewith a Request for Certificate of Correction under 37 C.F.R. §1.323 to correct an incorrect reference to a prior co-pending application in the priority claim language in column 1, lines 11-19 of the above-identified issued patent, which corrections do not constitute new matter or require re-examination.

Specifically, Applicants inadvertently did not properly indicate the relationship between International Application No. PCT/US98/12295, of which the instant patent was granted on a national stage filing thereof, and U.S. Patent Application Serial No. 08/873,952 (now U.S. Patent No. 6,086,999) to which the International Application claimed the benefit of priority. The priority claim should have recited that International Application No. PCT/US98/12295 is a continuation-in-part of U.S. Patent Application Serial No. 08/873,952, now U.S. Patent No. 6,086,999. The attached certificate of correction effects this correction. The mistake was made in good faith.

Applicants note that the instant application was granted on an application filed prior to November 29, 2000, and that, therefore, the version of 37 C.F.R. §1.78 in effect as of November 29, 2000 applies. Applicants further note that all of the requirements set forth in the version of 37

SEP 22 2004

Serial Number: 09/445,733
Docket No.: B1029.70001US00
Page 2 of 2

Conf. No.: 1310

C.F.R. §1.78(a)(1) in effect as of November 29, 2000 have been met in the application that matured into the instant patent to be corrected. In addition, it is clear from the record of the patent and patent application that priority is appropriate. As evidence, Applicants include herewith a copy of:

- (1) copies of the Transmittal Letter and PCT Request form submitted to the United States Receiving Office with International Application No. PCT/US98/12295 upon filing, which clearly indicates that the International Application designated the United States of America (page 2 of Request) and claimed priority to U.S. Patent Application Serial No. 08/873,952 (page 3 of Request); and
- (2) a copy of the Notice of Status of Requirements Under 35 U.S.C. 371 form mailed by the U.S. Patent and Trademark Office upon receipt of the International Application indicating the International Application Number and acknowledging Applicant's priority date claimed (i.e. the 12 June 1997 filing date of U.S. Patent Application Serial No. 08/873,952).

The fee as set forth in 37 C.F.R. §1.20(a) of \$100.00 accompanies this request.

It is requested that the undersigned be contacted by telephone call at (617) 720-3500 with any questions relating to this Request.

Please charge any fee or any fee deficiency occasioned by this Request to Deposit Account No. 23/2825.

Respectfully submitted,

SCREENING DISCLOSURE INFORMATION: In order to assist in screening the accompanying international application for purposes of determining whether a license for foreign transmittal should and could be granted and for other purposes, the following information is supplied. (Note: check as many boxes as apply):

- A. ☐ The invention disclosed was not made in the United States.
 B. ☐ There is no prior U.S. application relating to this invention.
 C. ☒ The following prior U.S. application(s) contain subject matter which is related to the invention disclosed in the attached international application. (NOTE: priority to these applications may or may not be claimed on form PCT/RO/101 (Request) and this listing does not constitute a claim for priority.)

Check-boxes reserved for designating States (for the purposes of a national patent) which have become party to the PCT after issuance of this sheet:

☒ All States party to PCT as of International Filing Date

☐
☐

In addition to the designations made above, the applicant also makes under Rule 4.9(b) all designations which would be permitted under the PCT except the designation(s) of _____

The applicant declares that those additional designations are subject to confirmation and that any designation which is not confirmed before the expiration of 15 months from the priority date is to be regarded as withdrawn by the applicant at the expiration of that time limit. (Confirmation of a designation consists of the filing of a notice specifying that designation and the payment of the designation and confirmation fees. Confirmation must reach the receiving Office within the 15-month time limit.)

Box No. VI

PRIORITY CLAIMFurther priority claims are indicated in the Supplemental Box ☐

The priority of the following earlier application(s) is hereby claimed:

| Country (in which, or for which, the application was filed) | Filing Date (day/month/year) | Application No. | Office of filing (only for regional or international application) |
|---|---------------------------------|-------------------|---|
| item (1) US | 12 June 1997 (12.06.97) | 08/873,952 | |
| item (2) | | | |
| item (3) | | | |

Mark the following check-box if the certified copy of the earlier application is to be issued by the Office which for the purposes of the present international application is the receiving Office (a fee may be required):

☒ The receiving Office is hereby requested to prepare and transmit to the International Bureau a certified copy of the earlier application(s) identified above as item(s): (1)

Box No. VII

INTERNATIONAL SEARCHING AUTHORITY

Choice of International Searching Authority (ISA) (If two or more International Searching Authorities are competent to carry out the international search, indicate the Authority chosen; the two-letter code may be used): **ISA / EP**

Earlier search Fill in where a search (international, international-type or other) by the International Searching Authority has already been carried out or requested and the Authority is now requested to base the international search, to the extent possible, on the results of that earlier search. Identify such search or request either by reference to the relevant application (or the translation thereof) or by reference to the search request.

Country (or regional Office):

Date (day/month/year):
